A Newsletter for Residents of Cañon del Sol

Volume 5, Issue 6

## PRESIDENT'S MESSAGE

The board met in July via Zoom as Covid cases continue to impact our comfort of conducting in-person meetings. We will hold the August 1 meeting via Zoom as well.

Owners will be receiving Board Directors election ballots from Anderson & Co. The election results will be read during the October board meeting.

We have received a project plan from our contractor for the painting project in section B. We will now work with other construction, and painting contractors to obtain competitive bids on the required pre-painting repair work as well as the painting and staining portions of the job.

As some have noticed, the surface of our tennis courts is in need of repair. The board is currently getting bids for the that work. We will be looking at various options including the possible conversion of some of the space to a dedicated pickle ball court. We will seek feedback from our community once our possible options and costs are understood.

The board has updated the clubhouse rules in an effort to consolidate all of the rules into a single document. The proposed set of updated rules is being distributed by Anderson to all owners for comment. The clubhouse is currently available for private events, and those may be scheduled through Anderson.

Thanks for the support, and please feel free to reach out with any comments or concerns.

Cheers,

*Bob*

## *From the Editor*

As I write this, I've got plenty of things on my mind, and at the top is Covid. It's been hitting closer and closer to home until it finally did hit home. Fortunately, I'm not the one who got sick. In the past couple of months, I've known more people with Covid than I can count. With the current Omicron subvariants being so contagious, it's probably hard to avoid, but I'm still trying! I'm about to go on a short canoe trip in the Boundary Waters of Minnesota with several other woman. We're planning to take a variety of measures to stay well. I'll let you know how it goes.

I've been asked by friends about Covid protocols, and I've asked others the same because the guidance out there is not always 100 percent clear. I've put a number of resources for you on page 4 should you need them.

There is a review of Venus Spirits' newly-opened second restaurant in Rio del Mar, across from the beach. It comes from our neighbor Karen McCarty and appears on page 3. She really liked this place!

There are a number of events to go to around the county and over the hill. You can always find a current list of county events at: <https://www.santacruz.org/things-to-do>. I've put a few of these on page 5.

I'm always looking for your contributions in my inbox. Please send me your news as described at the bottom of this page. On page 6, I've included some pics from my granddaughter's recent birthday. Please don't let me be the only one sharing news. My intent with this newsletter is not to hog the pages but rather provide you with a forum for as much community news as possible. I then attempt to round it out with content that I hope is both useful and interesting.

I hope your summer is going well and that you've been enjoying our coastal weather!

# FOOD *New Restaurant in Rio del Mar* by Karen McCarty (436 Oyster Drive)

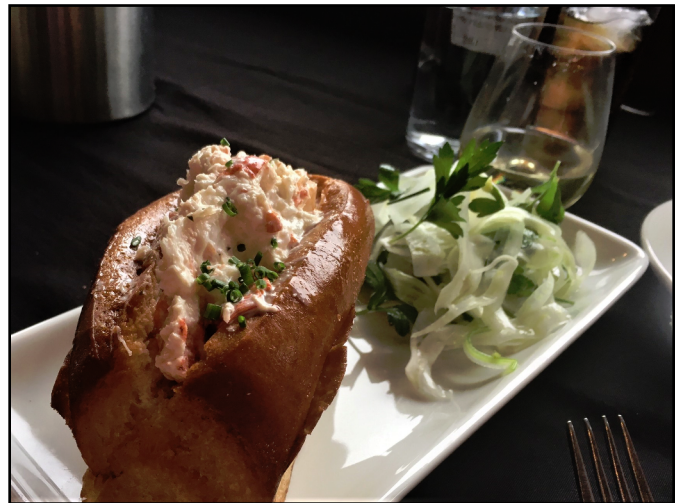

Last month, several of us dined at the new Venus Cocktails & Kitchen Beachside in Rio del Mar, which opened on June 22. It is located on the site of the former Cafe Rio. It is the second restaurant opened by Venus Spirits; the first location is in Santa Cruz. (Venus Spirits also has a tasting room that adjoins its Santa Cruz restaurant and its distillery.)

Even though it was only their second night of being open, the food was delicious, and the service was very attentive! We ordered hush puppies, fries, lobster rolls (stuffed full into incredible rolls and served with a yummy parsley fennel salad), and key lime pie. I would highly recommend all of these dishes.

At this time, they have a limited menu, pricing is very reasonable and reservations are a must! Check out my photos from tonight's meal. You will note the key lime pie was half eaten by the time I snapped a photo!

Open Wednesday - Sunday 4-9 pm

# RESIDENTS' NEWS

From Lorraine Margon (329 Canon del Sol)

In mid-May, our granddaughter Evelyn, or Evie for short, turned 9. She had quite the backyard party. It included a wild animal program that featured a baboon, a capuchin monkey, an alligator, and a python. It was fun for kids and adults alike. Everyone got to interact with the animals, and many photos were taken.

The birthday girl gets to interact with the animals.

To continue her celebration, we drove down to Cambria, California, in early June for an overnight stay. The highlight was trail riding Clydesdale horses at [Covell Ranch](#).

Left to right: son Chris, Evie, me, and Chris's partner Jessica.
