---

Cara Here is my activity report for the month of February.

Reviewed four new landscape proposals

Submit work order to John Hope to repair two shorts on circuit A.

Electric repairs completed next day,

Tree at 437 CDS blown over in wind storm removed by Quilici.

Master irrigation valve installed by Aqua Green on section B. Should resolve leak.

All street lights converted to LED by Tom Hewett.

Follow up on three major projects: Trees Fence and Concrete retaining pond.

Pool heat and irrigation systems remain off for the winter.
