

The High Tide

March 2019

A newsletter for residents of Cañon del Sol

Vol. 2, Issue 2

President's Message

The rains this year have exceeded those in recent past years, at least from my perspective. In any event, they have delayed many planned projects, including dead tree removal, improvement of the detention plan at the base of CDS, completion of the median project, and implementation of additional landscaping projects throughout the development. As the weather improves, we will get these projects underway and completed.

The annual meeting of members is scheduled for 10 am on Saturday April 6, at the Clubhouse. In addition to our legal need for a quorum, the meeting is a good opportunity for members to raise concerns, ask questions, and make suggestions to the Board about Canon del Sol. Further, it's a chance to get an overview of Association finances and plans looking forward. I urge and encourage all members to attend.

In connection with the annual meeting, the term for three members of the Board will expire at the time of the meeting. All three members will stand for re-election. Nevertheless, if any other Association member wishes to run, he or she should submit his or her name to a member of the Nominating Committee. The members of the Committee are me, Bruce Margon and Scott Thomas.

Finally, the Board believes that communications with members and occupants is a priority. The creation and distribution of this newsletter has, in our opinion, greatly facilitated this objective. In this context, I remind you that Canon del Sol's CC&Rs require Owners to give the Board notice of any tenancy. The notice should include the name and contact information of the tenant. Owner compliance is appreciated.

Emergency Preparedness Meeting

Please join us for another meeting on **Sunday, March 17 at 11 am in the clubhouse.** We will discuss our progress to date on developing an Emergency Plan for CDS.

Discussion topics will include:

- Evacuation plans
- Defensible space issues
- Emergency supplies for individual homes
- Emergency supplies for CDS in general
- Neighborhood volunteers

We welcome participation from the CDS Community and are particularly interested in ideas and suggestions for moving forward with our plan.

Emergency Preparedness Training

As part of our Emergency Planning, we are asking residents to sign up for classes being offered by the Santa Cruz County Community Emergency Response Team. The more people who are trained the better, so we can help each other in an emergency. For more information, go to:

<http://www.santacruzcountycert.org>

The Basic CERT Training Course prepares you to handle disaster situations, at home and in your community. You will learn what to do on your own, and what to do as part of a CERT team. You must attend all of the sessions. When completed, you will receive a Disaster Service Worker badge good for five (5) years.

The Watsonville sessions are as follows:

Wed April 4 6:30-10 pm	Wed May 15 6:30-10 pm
Wed May 1 6:30-10 pm	Sat May 18 9 am-5 pm
Wed May 8 6:30-10 pm	

Location: Marinovich Community Center, 120 Second Street, Watsonville.

There are other dates and locations as well; check the website listed above.

Canon del Sol Paint Event

You've probably heard of Paint Night Events where a professional art instructor guides students through an acrylic painting class while they enjoy snacks and beverages (perhaps a glass of wine!).

Here's your opportunity to join your Canon del Sol neighbors for our own Paint Event at the clubhouse.

This will be a 2-hour class led by Cindy Kaskey, a local artist and instructor. All art supplies, paint, brushes and canvasses are provided.

Just bring a beverage of your choice and any munchies you may want to snack on while Cindy takes you step by step to create your painting. No experience is necessary; and who knows, you may discover your inner Van Gogh!

When: Saturday, May 4 at 1 pm

Where: Canon del Sol Clubhouse

Cost: \$30 per person

RSVP: by April 19 to Gloria Johnson
johnsontierney@gmail.com or 408-218-7367

Payment needs to be made by April 19 to guarantee your slot.

PS Wear an old shirt or something you don't mind getting paint on - creativity can get messy. 😊
