

Canon Del Sol Homeowners Association [HOA] Temporary Rules for Swimming Pool Use

June 17, 2020

Note: These rules are effective immediately upon pool opening and will continue as needed based on guidance set forth by the Santa Cruz County Environmental Health Division (SCCEHD). They are in addition to existing rules, including posted rules at the pool area. At this time, public spas, hot tubs, and saunas are not allowed to operate until further notice. It is the responsibility of HOA members to follow these rules and to ensure that their Renters agree to follow these rules.

These rules are intended to minimize the potential for exposure to the COVID-19 virus when our CDS community members use the swimming pool. If the rules are not followed, including sign-up and proper disinfecting, we will have no choice but to re-close the pool.

Please immediately inform Anderson & Company [831] 722-4048 if you or one of your guests shows symptoms or tests positive for the COVID-19 virus AND have used the pool in the last 14 days.
